

## ***Livelihood Prayer***

I offer to God my joyful and willing service  
to make this Earth Sanctuary  
a kinder, more beautiful  
and peaceful place for all

I believe in the infinite abundance  
of a universe in which everyone's  
and my needs are met.

Guide me to fulfill my highest  
and most noble potential.

I want to manifest true inner and outer  
peace, prosperity, health, joy and well-being,  
for myself and for all.
